Practical Training Cuffs

Patented Keyless Release

Smith & Wesson® and Peerless®

Train 400% faster then conventional cuffs

Peerless® Chain Training Cuffs

PTC® manufactures the Practical Training Cuffs which are in use by virtually every branch of the U.S. Government for training proper handcuffing techniques, many private training facilities, Police Academies, Department of Corrections and many foreign governments.

The PTC® Cuff has a patented unique keyless release mechanism. The button opens the cuff quickly by sliding it in the direction of the arrow. The ultimate training aid for learning correct handcuffing techniques.

PTC® Quick Release Training Cuffs available…

- Peerless® Chain
- Smith & Wesson® Chain
- Peerless® Hinge
- Peerless® Oversize
- Smith & Wesson® Oversized
- Smith & Wesson® Double Lock
- Peerless® Leg Irons
